en Directions for use: remove the paper from the adhesive and attach the pad to the inner side of a bra. **de Anwendung:** Entfernen Sie die Papierschicht vom Klebepunkt und fixieren Sie die Stilli-Einlagen im Büstenhalter.

en Disposable self-adhesive nursing pads. Ultra absorbent core draws moisture away, effectively protects against leaks and stains. Protective outer cover enables airflow allowing skin to breathe freely and minimising the risk of irritation of nipples. Anatomical shape with nipple indent provides a perfect fit and special adhesive allows secure fastening of the pad to a bra.
