WHY HAPPY
DIAPERS?

MICROBIOME PROTECTION
Diapers support the natural microflora of your baby's skin.

FREE FROM ALLERGENS
Diapers are free from allergens of the EU list.

Quality mark confirms diapers have successfully passed dermatological tests.

Positive opinion of Mother and Child Institute for product safety.

THIN & COMFORTABLE
comfort for your baby fits like underwear

FLEXI FIT
perfectly fits a little belly
diaper change is easy and quick

BREATHABLE
vapor-permeable outer layer
friendly for your baby's skin

WETNESS INDICATOR
shows time to change a diaper

This packaging is produced in zero waste technology. Plastic waste generated during the production process is totally reused in the production process. Diapers contain natural cellulose from responsible sources.

This product is made from FSC[®] certified and other controlled materials.
